

**eFTR<sup>Mini</sup>**

# YOUTH BIKES

Perfect for passing on your motorcycle enthusiasm: reliable electric drive, powerful rear brake and 24-volt battery with a runtime of up to 30 minutes. With its design inspired by the FTR750 racing machine, the eFTR is the ideal entry-level motorcycle for children aged 8 and up. Depending on the mode set the electric drive accelerates the motorcycle to 16 km/h or up to 22.5 km/h.

**GREAT FOR NEW RIDERS** The eFTR Mini is durable and safe for kids 8 years and older.

**FTR RACE REPLICA STYLING**

Match the championship winning motorcycle.

**LONG RANGE BATTERY WITH HIGH & LOW MODES**

More time outside together. For riders 8+ on low mode

**TWIST GRIP THROTTLE**

For classic control.

**LIGHTWEIGHT**

Easy to maneuver for smaller riders.

Please find a closer dealer for more information.
